Friends full name and title

**For an HSBC Expat Premier account**

I understand that by making this referral I am confirming that I maintain a Premier relationship with HSBC Expat.

I am also aware that the person I am referring will need to qualify for Premier in their own right, by meeting the eligibility criteria set out in our Tariff of Charges, located on our website: [expat.hsbc.com](http://expat.hsbc.com).

I have read the above and am happy to make this recommendation.
