Telephone number	03457 70 70 70
<b>2. Key features of the credit product</b>	
<b>The type of credit</b>	<b>Credit Card</b>
<b>The total amount of credit.</b>  This means the amount of credit to be provided under the proposed credit agreement or the credit limit.	Your credit limit will be the amount determined by us from time to time and notified to you.
<b>How and when credit would be provided.</b>	The credit may be drawn down after you activate the card we send you or earlier if, for example, we allow you to make a balance transfer before that time. You may draw credit by using the card to make purchases, cash advances and we may allow you to make balance transfers.
<b>The duration of the credit agreement</b>	The agreement has no fixed duration.
<b>Repayments</b>	Each month within 25 days of your statement date you must pay us interest, default charges and any payment protection insurance premium plus 1% of the principal, or 2.5% of the balance or £5 whichever is highest. If the statement balance is less than £5, you must pay the full statement balance.
<b>Your repayments will pay off what you owe in the following order</b>	Payments received are applied to pay off the minimum payment shown on your statement, then the remaining balance on your statement, then any items not yet included in a statement. We will apply your payment first to any payment protection insurance premium, then to categories of balances in the following order: <ul style="list-style-type: none"> <li>◆ Cash Advances.</li> <li>◆ Purchases and Balance Transfers not being charged at a Promotional rate.</li> <li>◆ Purchases and Balance Transfers being charged at a Promotional rate.</li> </ul> In each category, interest and charges are paid first followed by the remainder of the balance.
<b>The total amount you will have to pay</b>  This means the amount you have borrowed plus interest and any costs	£1,315.82  The total amount payable is an illustrative figure only. It and the APR are calculated based on assumptions that you spend £1,200 on purchases at the start of the agreement and then repay it by 12 equal monthly instalments with interest being charged during that period at the rate for purchases. No account is taken of any introductory rates, of any further drawdown of credit or of any variation which may occur under the agreement of the interest rate or charge.

<b>3. Costs of the credit</b>	
<p><b>The rates of interest which apply to the credit agreement</b></p>	<p><b>Introductory rates</b> The introductory promotional rates set out below would be fixed for the promotional period.</p> <p>Interest rate per annum for purchases 0.0% for nine months after account opening.</p> <p>Annual Interest Rate for Balance Transfers completed within 60 days of account opening 0%. For 18 months from the date of transfer. 1.4% BT fee minimum £5.</p> <p><b>Standard Variable Rates</b> The standard variable annual rates apply upon expiry or withdrawal of any promotional rates.</p> <p>Interest rate per annum for purchases and balance transfers not being charged at a promotional rate 18.9%.</p> <p>Interest Rate per annum for Cash Advances 18.9%.</p> <p><b>Interest</b> Interest will be charged daily at the applicable simple rate (which is used for calculation purposes) from the date each transaction is applied to the account. Interest will be charged until the balance has been repaid in full and interest will be added to the account monthly on your statement date.</p> <p>All effective rates are calculated on a similar basis to the APR, taking no account of any fees.</p> <p>We will not charge interest on purchases if the whole outstanding balance shown on your statement is paid off by the payment due date shown on that statement. However, interest will always be charged on cash advances and on balance transfers being charged at a promotional rate.</p> <p>Except where any interest rates are stated to be fixed, all interest rates are variable.</p>
<p><b>Annual Percentage Rate of charge (APR)</b> This is the total cost expressed as an annual percentage of the total amount of credit.</p> <p>The APR is there to help you compare different offers.</p>	<p><b>18.9%</b></p> <p>The APR is calculated on the purchases facility of the agreement using the same assumptions used for calculating the total amount payable (above). <p><b>Related costs</b></p> <p>You must have a separate account for recording payment transactions and drawdowns</p>	<p>We operate an account in conjunction with your credit card to record payments and drawdowns under the agreement.</p>

We will tell you before doing this.</li> </ul>

Where a change is to your benefit, we will give you at least seven days' written notice of the change. Otherwise, we will give you at least 30 days' written notice. The reasons why we may make changes will be set out in your agreement. In particular, we may vary the interest rate(s) and the APR depending on our assessment of your circumstances (including considering your credit history and information held about you by credit reference agencies) and conduct of the account from time to time.

## Some key points about the card agreement

The information in both Parts 1 and 2 below and in the Pre-contractual Credit Information we have provided to you is important and you should consider it carefully. You can take these documents away to read before you sign.

### Part 1

- ◆ There are different ways to use the card and different interest rates and/or charges may apply to these which are set out in your agreement. For example, drawing cash is more expensive than using the card to make purchases and a fee will apply to balance transfers.
- ◆ Any non-sterling (foreign currency) transactions, including cash advances, are converted to sterling by MasterCard using the wholesale market rate applying on the day conversion is made. In addition, we charge a non-sterling transaction fee which is set out in your agreement.
- ◆ Missed or late payments are likely to lead to extra interest and charges which will mean that the debt will grow. Persistent, late or missed payments could affect your credit rating which can make getting credit more difficult and expensive. In the worst case it may lead to legal action to recover a debt which may result in us obtaining a charging against your property and you paying our costs for enforcing the agreement, including legal costs.
- ◆ Each month you must pay at least the minimum repayment: This is interest and default charges, plus 1% of the principal or 2.5% of the balance or £5 whichever is highest. If the statement balance is less than £5 you must pay the full statement balance. The amount of the minimum repayment and the date by which you must make payment will be shown on your monthly statement. The pre-contract credit information and your agreement shows the total amount payable – this is provided as an illustrative example which assumes that you spend up to a £1,200 limit, don't use the card anymore and take a year to repay it in equal monthly repayments of the principal amount together with interest.
- ◆ We may increase or decrease the interest rates that apply to your credit agreement, perhaps for many or all cardholders or for you or a small group of customers in similar circumstances following an assessment of your credit status. We will give you written notice before any change.
- ◆ Using cards to borrow money can be expensive. Depending on the purpose for which you want credit, there may be cheaper ways to borrow. For example, using your card to borrow cash on a long term basis is probably not a suitable use of the card.
- ◆ You have the right to withdraw from the credit agreement within a period ending 14 calendar days after you have received your card. If you withdraw after receiving credit, you must repay the credit within 30 days and pay any interest due on the credit.
- ◆ If you make only the minimum payment each month, it will take you longer and cost you more to clear your balance.
- ◆ If you have any questions about the agreement, please call us on **03457 707 070**. BT customers' calls to 0345 numbers from anywhere in the UK are charged at the local rates, but different rates apply to callers from a non-BT network, and calls from mobiles may be significantly higher. You may want to check this with your service provider.

### Part 2

#### Introductory Offer

- ◆ The introductory offer is only available to new HSBC Premier Card customers who hold an HSBC Premier current account, and doesn't apply to Student Credit Card or HSBC Credit Card.
- ◆ This offer excludes existing HSBC Premier Card customers (including additional card holders) or those who have closed their HSBC Premier Card within the last six months.
- ◆ With the HSBC Premier Credit Card new cardholders get interest-free purchases for nine months from account opening.
- ◆ At the end of the nine month promotional period, purchases will revert to the standard variable rate applicable for purchases. The promotional rate does not apply to cash advances or similar transactions such as the purchase of travellers' cheques or foreign currency, money orders or electronic money transfers, any payments by Direct Debit and any betting and gambling transactions.

#### Balance Transfer Information

- ◆ The introductory offer is only available to new HSBC Premier Card Customers who hold an HSBC Premier current account, and doesn't apply to Student Credit Card or HSBC Credit Card.
- ◆ This offer excludes existing HSBC Premier Card customers and those who have closed their HSBC Premier Card within the last six months.
- ◆ Interest rate will be payable at 0% per annum for 18 months from the date of the balance transfer where you make the balance transfer within 60 days of account opening.
- ◆ A balance transfer fee of 1.4% (minimum £5) will be charged for each balance transfer.
- ◆ At the end of the promotional period the rate for the transferred balance will revert to the standard variable rate then applicable to balance transfers.
- ◆ We will not transfer balances between cards operated by members of the HSBC Group. Any request to do so will not be processed. The HSBC Group means HSBC Bank plc, its subsidiaries, associated and affiliated companies and includes M&S Bank and John Lewis Partnership Card.
