

Basic terms of the Global Money Euro FX campaign:

1. The 10% margin discount is available to all customers* who have a Global Money Account and applies to transactions involving an exchange between other currencies to Euros. This can be made using the Global Money Card, between your Global Money wallets, or as a Global Money transfer on the mobile banking app. The discount will apply to any transaction amount.
2. All currencies that are available with the Global Money Account that are paired with Euro are included in the discount. For limit orders involving your HSBC Expat account, separate terms apply.
3. The discount will run for 2 months from 00:00 15th July 2024 to 23:59 on 15th September 2024, unless withdrawn earlier.
4. The offer may be withdrawn at any time without notice at the bank's absolute discretion.
5. Normal market exchange rates and conditions apply.
6. Any transactions that are completed after the end date will not have the discount applied and will receive the normal rate applicable at that time.

*The discount will not apply to customers who have an agreed fixed margin FX plan.
