Changes to the Terms

(effective immediately)

Section – Introduction

Execution only service

The description of our service has been updated to clarify that we're not required to assess the suitability or appropriateness, (as defined by the Financial Conduct Authority) of any investment or of the HSBC InvestDirect service for you. The relevant clauses will read as follows:

Execution-only service

We are not able to advise you on your Investment dealings. The HSBC InvestDirect International service is an execution-only service. This means that we execute the Investment dealings you ask us to and we do not provide you with any advice or personal recommendations. The only duty we owe you is to achieve the Best Possible Result for your orders in Financial Instruments and any other duties are expressly excluded from the HSBC InvestDirect International service.

You are solely responsible for your own Investment dealings when using the HSBC InvestDirect International service. We are not required to assess the suitability or appropriateness of any Investment or of the HSBC InvestDirect International service for you and the protection afforded by the FCA on assessing suitability and appropriateness does not apply. As a result, before deciding to deal in an Investment we suggest you consider whether you need to take independent financial advice on the particular Investment dealing and, where you think it is appropriate to do so, seek and act on that advice. You may be charged for any advice you receive.

(effective immediately)

Section – Introduction

We've added in a new defined term for 'Agent'. The new defined term will read as follows:

Agent means someone acting for and on your behalf to arrange the purchase or sale of investments in the market. We will act as your agent when placing trades on your account;

(effective immediately)

Section – Introduction

We've updated the defined term for 'Communications' to now include telephone, email and text messaging which will read as follows:

Communications means all communications between us and you by post, telephone, text message, email or secure e-message including the sending of contract notes;

(effective immediately)

Section – Introduction

We've removed the defined term for 'Email(s)'

(effective immediately)

Section – Introduction

We've updated the defined term for 'Failed Trade(s)' which will read as follows:

Failed Trade(s) means a Trade that hasn't settled in the market (for whatever reason) by the agreed settlement date in accordance with the contract note;

(effective immediately)

Section – Introduction

We've updated the defined term for 'Secure e-message' which will read as follows:

(effective immediately)

Section 3 – Sharedealing Terms, Clause 3 – Investment dealing service

Clause 3.4

We've updated clause 3.4 to make it clearer that the market may fluctuate between the time we provide you with a Fixed Price Quote, to when you submit your order. The relevant clause will now read as follows:

3.4 *With the exception of Fund Shares, we may provide real time or delayed prices. All prices provided by us are indicative only, unless expressed by us to be a "fixed price quote" and accepted by you in the prescribed manner within 15 seconds. "Fixed price quotes" are not guaranteed. When you enter a buy or sell order in a UK Investment during Trading Hours through Online Banking, we'll usually show you a "fixed price quote" on the preview order screen which we will use our best endeavours to fulfil. The fixed price quote is calculated by taking the best price offered by a number of market makers at the time we request a quote. A countdown screen will appear and give you 15 seconds to confirm the order. The price quoted to you will hold good for 15 seconds unless for example, there has been market volatility in the 15 second countdown and the price offered by a third party market maker is withdrawn.*

During the 15 seconds you have to accept the fixed price quote provided, the market may fluctuate. This means that if your order is executed in the market at the fixed price quoted, it may be better or worse than the best bid or offer price at the time of execution.

Where you place an order and a fixed price quote isn't available (for example, if the order is placed outside of market hours or you place a large order over the quoted market size) we'll instead give you an indicative quote. If your order is then executed in the market the execution price may be higher or lower than the indicative quote. Indicative quotes are not guaranteed.

(effective 31 August 2020)

Section 3 Sharedealing Terms, Clause 7 – Settlement and Custody

Clause 7.14

We've updated clause 7.14 to remove 'post' as the only way we'll tell you about Corporate Actions. This clause will read as follows:

7.14 We will use reasonable endeavours to notify you of any corporate action such as rights issues, takeovers, mergers etc. attaching to Investments in your Investment Account. Although there may be some situations where this is not possible, in these scenarios, we will act on your behalf and in the best interests as we see fit. Any notification will be issued as soon as possible after we have been advised by our relevant sub-custodian or Market Data Provider. We will have no liability for any losses suffered and/or expenses incurred, if after using all reasonable endeavours to contact you we are not able to tell you about a corporate action.

(effective immediately)

Section 3 – Sharedealing Terms, Clause 7 – Settlement and Custody

Clause 7.19

We've updated clause 7.19 and added additional clauses, 7.20 and 7.21 to clarify what will happen in the event of a failed purchase trade. These clauses will read as follows:

7.19 In the event of a failed purchase trade, we will:

- ◆ *move the money we took from your Settlement Account to effect settlement into an appropriate bank account until the trade has settled in the market;*
- ◆ *send you a letter telling you about the Failed Trade within seven Business Days of the Settlement Date, if the trade remains unsettled at this point; and*
- ◆ *inform you once the trade has settled in the market.*

You will receive the same price in the event of a Failed Trade as you would have received had the Trade been settled in accordance with the contract note. Whilst you will not be able to transfer an Investment that is the subject of a Failed Trade, you will be able to sell the Investment. The delay in obtaining the stock will not affect your rights to any entitlements associated with the ownership of shares, such as dividends, which are due to you.

7.20 In the event of a Failed Sell Trade you'll still receive your proceeds on the original settlement date. You'll receive the same price in the event of a Failed Trade as you would have received had the Trade been settled in accordance with the contract note.

7.21 On the expected Settlement Date our records will be updated to reflect the Trade as settled even where there is a Failed Trade.

(effective immediately)

**Annex 3, Clause 3 – Execution Venues

We keep our choices of Execution Venue under regular review. Execution Venues may vary depending on market conditions from the ones listed above. You may ask us at any time in the seven years following a Client Order to provide confirmation of how we obtained the Best Possible Result for the Client Order.

Changes to the KFD

(effective immediately)

When placing a deal is the price quoted guaranteed?

We've updated "When placing a deal is the price quoted guaranteed?" to make it clearer that the market may fluctuate between the time we provide you with a Fixed Price Quote, to when you submit your order. This section will read as follows:

When placing a deal is the price quoted guaranteed?

No. When you enter a buy or sell order in a UK Investment during Trading Hours through Online Banking, we'll usually show you a 'fixed price quote' on the preview order screen which we will use our best endeavours to fulfil. The fixed price quote is calculated by taking the best price offered by a number of market makers at the time we request a quote. A countdown screen will appear and give you 15 seconds to confirm the order. The price quoted to you will hold good for 15 seconds unless for example, there has been market volatility in the 15 second countdown and the price offered by a third party market maker is withdrawn.

Where you place an order and a fixed price quote isn't available (for example, if the order is placed outside of market hours or you place a large order over the quoted market size) we'll instead give you an indicative quote. If your order is then executed in the market the execution price may be higher or lower than the indicative quote. Indicative quotes are not guaranteed.

You will be asked to create a personal Security Number when you register for our telephone service (or if you lose or forget your Security Number). The number must be between six and 10 digits long.

3. Important security information

3.1 You must use our telephone service and OB in accordance with the Terms. HSBC Expat internet banking is also subject to its own terms and conditions provided to you when you open a bank account with them and register for their online services.

3.2 You must take all reasonable precautions to keep safe and prevent fraudulent use of any Security Details.

- ◆ keeping information about your IDIA containing personal details and your User ID (such as Statements) safe and disposing of them safely.

People who commit fraud use many methods such as searching in dustbins to obtain this type of information. You should take simple precautions such as shredding paper containing such information;

- ◆ keeping your Security Details safe;
- ◆ telling us as soon as possible if you change address;
- ◆ telling us as soon as possible if you have forgotten your Security Details or you think that someone else is trying to use any of your accounts;

- ◆ you must tell us as soon as possible if you find any fault, failure, delay or error in your IDIA, especially in the sending or receiving of Instructions. Our records of your Instructions will be conclusive unless there is a clear mistake;
- ◆ changing your Security Details immediately and telling us as soon as possible in accordance with clause 3.4 if you know, or even suspect, that someone else knows any of those details, or if we ask you to.

- ◆ when you contact us by telephone, please ensure that you take necessary security precautions and we recommend that you use either a landline or a digital mobile telephone. We are not responsible for the security of your IDIA if anyone intercepts or overhears you speaking to us on the telephone.

If using a textphone:

- ◆ ensure that you tear out and destroy any printed record of your Security Number or personal Security Details from any printer attached to your textphone;
- ◆ keep your textphone properly operational.

Online Banking

- ◆ keep your personal computer secure by using anti-virus and spyware software and a personal firewall;
- ◆ keep your passwords and Security Details secret – we will never ask you for your online banking password information in full;
- ◆ always access OB by typing in the bank address to your web browser, never go to an internet banking site from a link in an email and then enter personal details;
- ◆ never access OB from any computer connected to a local area network (LAN) (this is usually the case for computers you use at work) or any public internet access device or access point (eg, at an internet café) without first making sure that no one else will be able to observe or copy your access or get access to OB by pretending to be you;
- ◆ never record any password or Security Details on any software which retains it automatically (e.g. any computer screen prompts or 'save password' feature or the line on your internet browser);
- ◆ once you have logged on to OB, do not leave the device from which you have accessed it or let anyone else use that device until you have logged off; and
- ◆ follow all security measures recommended by the manufacturer of the device you use to access OB, e.g. the use of personal identification numbers for mobile telephones with internet access.

When lines are closed, please call without delay the number detailed below for Cards and PINs issues and we will block access to OB, TBS and telephone service (to re-set your relevant Security Details. You will need to call the usual number during opening hours). Telephone calls will be put through to our automated service. Textphone calls will be put through to our Customer Service Centre. To help us continually improve our services and in the interests of security we may monitor and/or record your telephone calls with us. All telephone calls that lead or may lead to a Trade will be recorded and kept for seven years. You may ask us for a copy of such a record within the seven year period.

3.5 If asked, you must confirm in writing the loss or theft of your Security Details relating to OB or our telephone service.

3.6 We will ask you to co-operate with us and the police in relation to any investigation into the actual or suspected misuse of your Security Details and/or IDIA. You must report any unauthorised transactions to the police within seven days of our request. We may also disclose information about you or your IDIA to the police or other third parties, if we think it will help prevent or recover losses.

4. When Trades will and will not be placed by us

4.1 If we refuse to place a Trade, you will normally be told when you give your Instructions, unless we suspect fraud – please see clause 10 for details about our fraud prevention measures and what we do if we suspect fraud. In all cases, if you telephone us, we will tell you if a trade has been refused, the reasons for the refusal (if possible) and the procedure for correcting any factual errors that led to the refusal. This information will be available immediately after our refusal of your Instruction. We will normally not be able to provide you with details in any of these ways if it is unlawful for us to do so.

4.2 We may refuse to accept a Trade, when your Trading Limit has been reached or has been or will be exceeded, as further described in clause 2 of Section 3 – Sharedealing Terms.

5. Charges for services and for enquiries about an Instruction

5.1 We may charge you to place Trades. The applicable charges, including the amount, frequency and basis of the fees, are set out in our Rates and Fees Page.

We may make changes to the charges we apply to your Account (including introducing new charges or fees or making changes to the amount, rate or basis on which we charge) in accordance with clause 12.1.

5.1.1 Each time you give us Instructions, you authorise us to:

(a) deduct the costs of any purchases and any applicable charges from your Settlement Account; and

(b) (acting as your agent and on your behalf) instruct HSBC Expat to debit from (and credit to) your Nominated Account the necessary funds,

to ensure that the balance of your Settlement Account is returned to nil at the close of each Business Day.

5.2 We may make a charge for any enquiries we receive in respect of an Instruction, whether made by you or another person.

We will not charge you if we have made an error. We will advise you of the charge before we start investigations on your behalf.

5.3 You must also pay any applicable VAT, stamp duty, stamp duty reserve tax, other taxes and levies relevant to your Instructions to us.

We may share fees with our Associates and other third parties where they are fees which enable or are necessary for the provision of carrying out transactions on your behalf. Details of any such remuneration or charging arrangements will not be set out in the relevant contract note or confirmation note, but will be made available to you if you contact the Customer Service Centre.

5.4 Certain additional fees will apply as set out in our Rates and Fees Page from time to time, in the event that you do not comply with your obligations under these Terms.

5.5 On occasion, we may benefit from non-financial incentives, such as corporate hospitality and training. We maintain strict policies to control how benefits of this type are managed to protect the interest of customers. Further information about these policies is available from us upon request.

5.6 Different charges will apply depending on whether you give us Instructions by telephone or through our Website. These charges are set out on our Rates and Fees Page.

5.7 We will send to you as appropriate illustrations showing the cumulative effect of costs on return of your Investments. We will also provide you with our Costs and Charges Disclosure Document containing important information about charges and the breakdown of costs you pay in respect of your Investments and the Service we provide to you.

5.8 You agree that any fees, costs, charges and other amounts payable to or recoverable by us under these Terms may be paid or, as applicable, reimbursed in the following ways:

(a) We are entitled to instruct (acting as your agent and on your behalf) HSBC Expat to withdraw the relevant amount from the Nominated Account and pay the amount to us. This may be done without any further notice to you (and for the avoidance of doubt, you also authorise that branch to credit the Nominated Account if we owe you any amount at any time), although we may issue invoices for convenience if we wish.

(b) If the Nominated Account holds insufficient funds for this purpose, at our election, we will send you a written notice requiring you to pay the outstanding amount within [seven] days from the date of the letter or exercise the other rights provided to us under this Agreement (for example, see Clause [4] of Section 2 and Clause [10] of Section 3).

(c) For the avoidance of doubt, this Clause will continue to apply even after this Agreement has ended (e.g. where there are outstanding fees).

6. Transferring Investments into or out of your IDIA

You can transfer Investments into or out of your IDIA by the methods notified to you on our Website, in our Key Features Document, or by contacting us using the numbers set out in clause 4. There may be a charge for a transfer out of your IDIA. Please see our Rates and Fees Page for details. Please be aware that we are unable to transfer joint holdings from other providers, or joint holdings held in certificated form, into a sole account with us.

7. Third party authority

You can authorise another person to operate your IDIA. You will need to sign a document called an HSBC InvestDirect International Account third party mandate in respect of the IDIA, which you may request from us. If you authorise another person to operate your IDIA, then you will be responsible for their actions or omissions as if they were your own.

8. Statements

8.1 We will provide you with paper Statements for transactions on your IDIA by post every three months. Statements will be dated March, June, September and December. You will also be able to view your holdings and transactions for the previous 12 months online.

8.2 Statements will show details of the transactions that have passed through your Settlement Account and the amount of Investments you hold in your Investment Account. Trades may be shown as settled, even if the Investments or proceeds have not yet been delivered. Statements are subject to any future adjustments that may need to be made in respect of any failed Investment or proceeds deliveries. The basis on which Investments shown on Statements are valued by us, will be their estimated value on the Business Day shown on the Statement, based on information we receive from reputable published sources.

8.3 If you ask, we will send you additional Statements, including paper copies of Statements sent to you electronically or copies of those previously supplied. We may charge for additional Statements. Details of the charges for providing additional Statements are set out in the Rates and Fees Page.

8.4 If you have investments in Funds then each year around the anniversary of your IDIA we will send you a Costs and Charges Statement. This statement shows the total actual costs that we have charged you for your investment in the Funds and the services we have provided in connection with those investments. The Costs and Charges Statement will also include an illustration of the cumulative effect of those costs on the return on your investment in the Funds.

8.5 Balance information

8.5.1 We may provide you with details of the balance on your IDIA. This may include transactions that are still in process and

therefore may be subject to change. Balance information is subject to any future adjustments that may need to be made in respect of any failed Investment or proceeds deliveries. The basis of the Investments provided are estimated values on the Business Day of us providing you with the balance of your IDIA

8.5.2 Your IDIA and the transactions passing through it may be affected by a court order, eg a court order that is obtained, for example, against you or your IDIA. If so, the balance may change and transactions may not be processed or may be reversed.

9. Fraud prevention

9.1 We carry out certain checks on transactions on your IDIA as part of our fraud prevention measures. We may Contact You Personally to say there may be suspicious activity on your IDIA, or we may leave a message to ask that you call us. If we ask, you must contact us as soon as possible.

9.2 We, or any other member of the HSBC Group, may take whatever action we consider appropriate to meet any obligations, either in the UK or elsewhere in the world, relating to the prevention of fraud, money laundering and terrorist activity and the provision of financial and other services to persons who may be subject to sanctions. This may include, but is not limited to, investigating and intercepting payments into and out of your IDIA (particularly in the case of international Account transfers of funds) and investigating the source of or intended recipient of funds. It may also include making enquiries to establish whether a person is subject to sanctions. Exceptionally, this may delay the carrying out of your Instructions or the receipt of Cleared Funds but, where possible, we will advise you of the reasons for and likely length of any delay. If we are not satisfied that a payment in or out of your IDIA is lawful, we may refuse to deal with it.

9.3 Neither we nor any other member of the HSBC Group shall be responsible to you or any third party for any loss incurred as a result of us or any other member of the HSBC Group taking the actions set out in clause 10.2. In addition, we shall not be responsible to you for any loss you may incur if we, or any of our agents or correspondents, are prevented from or delayed in providing you with any banking or other services, due to abnormal and unforeseeable circumstances beyond our control, the consequences of which would have been unavoidable despite all efforts to the contrary.

10. Responsibilities

10.1 Unauthorised transactions

You must read your Statements carefully on receipt or when they are available online. To help us prevent fraud, you must tell us immediately by calling us if you do not recognise any transaction shown on your Statement, or if you think any Client Order has been executed incorrectly. If you do not tell us promptly (at the latest within 13 months of the date the transaction was deducted from your IDIA), you may not be entitled to have any errors corrected.

10.2 Liability for unauthorised transactions

10.2.1 Subject to clauses 10.2.2 to 10.2.5 of the General Terms, we will be responsible for any unauthorised transactions that you tell us about in accordance with clause 10.1 of the General Terms (if we suspect fraud or that you have been fraudulently or grossly negligent, we will investigate the transaction and will only be responsible if/when we have concluded that there has been no fraud and you have not been fraudulently or grossly negligent). Where we are responsible, we will immediately refund the amount of the unauthorised transaction and any resulting interest and charges. We will have no further liability to you.

10.2.2 You will be responsible for all losses if you act fraudulently or if you allowed another person who is not a properly appointed authorised third party to use your IDIA.

10.2.3 You will be responsible for all losses arising from unauthorised transactions on your IDIA as result of:

- ◆ you intentionally or with gross negligence failing to use our telephone service and/or OB in accordance with the Terms (including keeping safe your Security Details); or
- ◆ you intentionally or with gross negligence failing to notify us in accordance with clause 3.4 of the General Terms of the loss or theft of any Security Details.

10.2.4 Unless you have acted fraudulently, you will not be responsible for any losses in respect of an unauthorised transaction:

- ◆ after you have notified us of the loss or theft of your Security Details in accordance with clause 3.4 of the General Terms; or
- ◆ if we have failed to provide the facilities we describe in clause 3.4 of the General Terms for you to tell us if any Security Details have been lost or stolen.

10.2.5 We will not be responsible to you if we fail to comply with any of the Terms:

- ◆ due to Force Majeure; or
- ◆ where our failure to comply is due to our obligations under European or national law.

10.2.6 Nothing in the Terms excludes or restricts any liability which we have to you under Laws or any liability for a matter that cannot be excluded or restricted by Law.

10.3 Account aggregation

If you use an account aggregation service that is not provided by a member of the HSBC Group, you may be liable for any fraud or mistakes that occur on your accounts as a result of using the service. An account aggregation service allows you to see, on one web page, details of the online accounts you hold with financial institutions. The service may be provided by a financial institution (with whom you hold an account) or through a Website not owned by a financial institution.

10.4 Suspension of our telephone service or OB.

10.4.1 We may, at any time, suspend your use of our telephone service or OB, or otherwise limit or restrict your ability to give Instructions, or use of the Service, if we have reasonable grounds to suspect:

- ◆ the security of or the suspected unauthorised or fraudulent use of our telephone service or OB; or
- ◆ there is a significantly increased risk that you will be unable to repay any overdraft on your Nominated Account. We will normally give you advance notice by contacting you personally if we are going to suspend your use of our telephone service or OB.

10.4.2 If we are going to suspend your use of our telephone service or OB, we will tell you why we are taking this action but we will not give you notice or details of the reason for the suspension if this would compromise our reasonable security measures, or if it is unlawful to do so. We may occasionally suspend your use of our telephone service or OB without notifying you where we have been unable to contact you personally in advance. We may also suspend your use of our telephone service or OB due to national or European legal obligations that apply to us.

10.4.3 We may instruct (as your agent and on your behalf) HSBC Expat to pay us a particular amount from your Nominated Account with them for the amount of any Trade (and any charges relating to any such Trade) despite the fact that your use of OB or our telephone service may have been suspended at the time we gave an instruction.

10.4.4 You can ask us to lift any suspension of your use of our telephone service or OB by calling us.

11. Changing the Terms – general information

11.1 We may change other Terms in accordance with this clause 11 and clauses 12 to 15 of the General Terms.

11.2 For products or services that you have which have particular Terms that are fixed, please see the Supplemental Terms for information on the circumstances in which we may make changes to those Terms. If there is a conflict between this clause 11 or clauses 12 to 15 of the General Terms and those Supplemental Terms, the Supplemental Terms will apply.

11.3 We will contact you personally to tell you about a change. We recommend that you print or save copies of electronic notifications for your records.

12. Other changes to the Terms

12.1 We may make changes to Section 1 of the General Terms, including changes to the basis on which we charge for operating/providing product(s)/service(s), by giving you at least one month's advance personal notice.

12.2. We may make any other changes to the Terms, including changes to the basis on which we charge for operating/providing product(s)/service(s), in the following ways:

- ◆ if the change is favourable to you, by, within 30 days of the change, telling you about it personally or putting notices in the national press or on our Rates and Charges Notices in our branches; and
- ◆ if the change is not favourable to you, by giving you at least 30 days' advance personal notice.

13. Reasons for making changes

We may make any change to the Terms under clauses 11 and 12 of the General Terms for all or any of the reasons set out in this clause 13 that apply:

- ◆ if the change is favourable to you;
- ◆ following, or in anticipation of, and to reflect a change in relevant law or regulation or to reflect a change in industry guidance or code of practice or good banking practice; or
- ◆ to respond to the making of a recommendation, requirement or decision of any court, ombudsman, regulator or similar body; or
- ◆ to reflect any change in the base rate or any rate that replaces it set by the Bank of England or by any bank that takes over responsibility for setting such a rate; or in interest rates charged by other major banks or financial institutions in the UK; or
- ◆ to reflect changes or anticipated changes in costs associated with changes in relevant market conditions, changes in technology, changes in the costs we pay others, changes in inflation and/or changes in accounts, services or facilities we provide; or
- ◆ to make the Terms clearer; or
- ◆ to respond to any changes in our systems and procedures, including any change arising from the reorganisation of our business as a result of it being acquired or by our acquiring another bank or organisation; or
- ◆ to reflect the costs or consequences of any event beyond our control that may impact upon our provision of accounts, services or facilities to you; or
- ◆ to respond to our internal policies on competitiveness, market share and/or the profitability of our business as a whole, where we are not acting dishonestly, for an improper purpose, in a manner which inappropriately discriminates against a particular customer or as an unreasonable financial institution would.

We may also make changes to the Terms (including introducing new charges or fees or changing the amount, rate or basis on which we charge) for any other valid reason that applies and is not described in this clause 13. We will always give you at least 30 days' prior written notice of such a change. Please note however that we will not notify you of any change in third parties' taxes or charges attributable to Investments the imposition and amount of which are outside our control. Where we make a change under this clause 13, the change will be proportionate to the underlying reasons for the change and in accordance with the Laws to reflect any change or anticipated change.

14. What you can do when we tell you about a change

14.1 When we give you advance notice of a change we intend to make in accordance with clauses 11 and 12, before the change takes effect, or for changes that are not favourable to you made in accordance with clause 12.2 up to 30 days after the date of the notice to you, you may end this contract and close your IDIA in accordance with clause 15. There will be no charge for this.

If you do not tell us that you want to end this contract, and if we do not hear from you as described in clause 14.2 before the date each change is to take effect, then you will be deemed to have accepted the change and it will take effect automatically.

14.2 You may without charge close your IDIA in accordance with clause 15 within 30 days of the date of any advance notice of a change we send you or, if longer, up to the date upon which the change is due to take effect. If you do not tell us that you want to close your IDIA by this time, then you will be deemed to have accepted such a change and the change will take effect automatically.

15. Ending this contract and closing your IDIA

15.1 You can close your IDIA and thereby end this Agreement with us at any time, by writing or telephoning us. However, please note you will not be able to cancel any transactions undertaken by HSBC InvestDirect International Account or in progress at the time of closure.

Any transactions in progress at the time of closure will be completed as soon as possible and you will not be entitled to a refund for any associated fees. Whenever you close your IDIA there may be charges for the transactions required to transfer your Assets out of your IDIA, except where you close your IDIA and terminate this Agreement in accordance with clause 12.

Please see our Rates and Fees Page for details.

15.2 If you close your IDIA in accordance with this clause 15, other than clause 16 and where Terms/products/services are expressly stated to continue, your Agreement with us including the Terms, will also end.

15.3 If your IDIA is closed or the Agreement ends for any reason:

15.3.1 you must repay any money owed to us before we close your IDIA including, without limitation, any charges arising from carrying out the transactions required to transfer your Investments as you direct (as detailed in the Rates and Fees Page). If, after closing your IDIA we pay for any outstanding Investment transactions you have made or incur any charges relating to these, you agree to repay us these amounts in full. We will waive these charges where you close your IDIA in accordance with clause 13;

15.3.2 any benefit or services provided to you by us will end immediately unless the terms relating to the particular benefit or service state otherwise; and

15.3.3 subject to clause 15.8 below, and provided we have sufficient information from you, we will transfer the Investments held in your Investment Account to you or, in the event of your death, your personal representatives, or to other brokers or charity institutions in accordance with any written Instructions you give; and we will credit or (subject to clause 15.9) instruct (acting as your agent and on your behalf) HSBC Expat to debit your Nominated Account with the necessary funds required to bring your Settlement Account balance to nil.

15.4 If your IDIA is closed for any reason and you do not tell us what you want to do with your Investments, we will contact you to obtain your instructions. If you do not tell us what you want to do with your Investments within a reasonable time, we may take necessary reasonable steps to return your Investments to you and (if we haven't heard from you) we may sell your Investments and (at our election) deposit the proceeds of sale in your Nominated Account with HSBC Expat or other HSBC Group personal bank account in your name or send the proceeds of sale to you. This may mean that we will send a cheque to the last address we hold on record for you where it is reasonable for us to do so. We will give you advance notice if we intend to sell your Investments in this way.

15.5 Cancellation or closure will not affect any outstanding transactions or any right or obligations, which may already have arisen between us. Transactions in progress at the date of cancellation/closure will be completed by us as soon as practicable subject to these Terms. Clauses 9, 10, 11 and 12 of the Sharedealing Terms and the relevant parts of the glossary will continue to apply to us notwithstanding cancellation/closure.

15.6 If you do not hold any Investments, and there has been no activity on your IDIA for a period of 12 months, or if we become aware that the contact information we hold is incorrect and we are unable to trace you, we may add a marker to your account which could mean you are unable to access your account online. We will be happy to undertake Trades on your behalf, or release any funds which may be in your account, if you telephone customer services. Any Investments which remain in your account will continue to be your property (or that of your estate upon your death).

15.7 We can end this Agreement with you and close your IDIA immediately in any of the following situations:

15.7.1 if you have seriously and persistently breached your obligations under any of the Terms;

15.7.2 if there has been or we have reasonable grounds to suspect there has been financial crime involving your IDIA with us or any transactions on your IDIA;

15.7.3 if there has been or we have reasonable grounds to suspect there has been suspicious activity on your IDIA;

15.7.4 if we have reasonable grounds for believing you have committed or are about to commit a crime in connection with your IDIA;

15.7.5 if you have not satisfied any anti-money laundering requirements;

15.7.6 if you fail to meet the settlement of any Trades;

15.7.7 there is a change in Laws or regulation that requires us to do so;

15.7.8 you are no longer eligible for the IDIA;

15.7.9 you have given us false information in connection with your IDIA (for example, in your Application);

15.7.10 if you close your personal current account with HSBC Expat; or

15.7.11 your IDIA or other account(s) are being or have been used illegally, or if we reasonably believe that your conduct will adversely affect the ability of our other customers to trade or the Terms on which they trade (for example, if you were to deal repeatedly in many small lots, rather than one large lot so the market maker refuses to deal or will only deal at a less favourable price in the future).

15.8 We will give you notice in writing immediately after your IDIA has been closed under clause 15.3.

15.9 We may close your IDIA and/or end this Agreement for any other reason by giving you at least one month's written notice.

15.10 If you have not repaid any money owing to us at the time the IDIA is closed, we may exercise our right of set-off and other rights described in this Agreement and sell any Investments.

15.11 In the event of the death of a sole account holder, we may require a grant of probate or grant of representation issued by the authorities where your IDIA is based (including in the Channel Islands or the Isle of Man) before releasing any monies in your IDIA to your personal representatives.

15.12 Suspending your Services

15.12.1 We can suspend your Services or any part of your Services temporarily for any of the reasons set out in Clause 15.7 above.

15.12.2 We may also suspend your Services or any part of your Services where we have another good reason to do so, and where suspending the Service is proportionate to the underlying reason for the suspension. Where we do so, we will give you at least one month prior written notice of our intention to do so. Where we do so, you may close your IDIA in accordance with Clause 15 and/or transfer your IDIA to a different provider at any time up to the point at which the suspended service is reinstated.

15.12.3 Where we take steps to suspend the Services or any part of the Services under this Clause 15.12, we generally will not apply any fees for the Services (or any suspended part of the Services, where only part of the Services is suspended) during the period of suspension nor will we charge you to close your IDIA and/or transfer your Investments to a different provider during the period of suspension, unless the reason for the suspension is because:

- ◆ you have seriously or persistently breached the Terms;
- ◆ we reasonably suspect that you or your IDIA may be involved in financial crime or other illegal activity; or
- ◆ you have failed to satisfy anti-money laundering requirements.

15.12.4 We will notify you as soon as practicable of the suspension being lifted.

Section 2 – InvestDirect International Account Terms – Miscellaneous

16. Your information

16.1 Privacy

16.1.1 Your privacy is important to HSBC.

16.1.2 Our Privacy Notice explains how we collect, use, disclose, transfer and store your information and sets your rights in relation to your information. A copy of our Privacy Notice is available separately and we will inform you when we make any changes to it. You can find a copy at [hsbc.co.uk](https://www.hsbc.co.uk) or you can ask for a copy in branch or by telephone.

16.2 Your responsibilities

16.2.1 If we make a reasonable request for information, you must give it to us as soon as possible. If you don't give it to us, or if we suspect fraudulent or criminal activity of any kind:

(a) you might not be able to carry on doing some or all of your banking with us anymore;

(b) we might try to get it from another source, ourselves.

16.2.2 It's up to you to make sure the information you give us is accurate and up to date, and you must tell us if anything changes, within 30 days.

16.2.3 We'll use your information as explained in our Privacy Notice. We'll give it to others if we're compelled to do so by law, we've a public duty to disclose it, we need to disclose to protect our own interests (for example in any legal proceedings) or if we have your specific agreement. For example, if we believe you may have tax obligations in other countries, we may have to disclose information about you directly to HM Revenue & Customs (HMRC) or other local tax authorities.

16.3 Actions we may take in order to prevent Financial Crime

16.3.1 Members of the HSBC Group, are required, and may take any action to meet Compliance Obligations relating to or in connection with the detection, investigation and prevention of Financial Crime ("Financial Crime Risk Management Activity"). Such action may include, but is not limited to:

(a) screening, intercepting and investigating any instruction or communication sent to or by you or a Connected Person, or on your or their behalf;

(b) investigating the source of or intended recipient of funds;

(c) combining Customer Information with other related information in the possession of any member of the HSBC Group; and/or

(d) making further enquiries as to the status of a person or entity, whether they are subject to a sanctions regime, or confirming their identity and status.

16.3.2 Exceptionally, our Financial Crime Risk Management Activity may lead to us:

(a) delaying or refusing to either process a payment or your instructions;

(b) being unable to provide all or part of the Services to you and ending our entire relationship with you;

(c) taking necessary steps for any member of the HSBC Group to meet the Compliance Obligations; and/or

(d) blocking or closing your account(s) (although not any of your mortgage account(s)).

16.3.3 To the extent permissible by law, no member of HSBC Group shall be liable to you or any third party in respect of any loss (however it arose) that was suffered or incurred by you or a third party, caused in whole or in part in connection with the undertaking of Financial Crime Risk Management Activity.

17. Tax compliance

17.1 You acknowledge that you are solely responsible for understanding and complying with your tax obligations (including but not limited to, tax payment and filing of returns or other required documentation relating to the payment of all relevant taxes) in all jurisdictions in which those obligations arise and relating to the opening and use of account(s) and/or Services provided by us and/or members of the HSBC Group. You must ensure that each Connected Person (acting in their capacity as a Connected Person and not in their personal capacity) is aware of this responsibility and also makes the same acknowledgement in their own regard. Certain countries may have tax legislation with extraterritorial effect regardless of your or Connected Person's place of domicile, residence, citizenship or incorporation. Neither we nor any member of the HSBC Group provide tax advice. You are advised to seek independent legal and/or tax advice. Neither we nor any member of the HSBC Group have responsibility for your tax obligations in any jurisdiction in which they may arise including any that may relate specifically to the opening and use of account(s) and/or Services provided by us and/or members of the HSBC Group.

17.2 Following the end of each UK Tax Year, you will generally be issued with a Consolidated Tax Certificate (CTC) between May and September. A final CTC will also be issued once an account is closed and all outstanding dividends have been received. Note that information regarding excess reportable income (to the extent relevant) will not be included in the CTC.

17.3 We cannot provide taxation advice and will not take account of an individual's tax position when providing our services.

17.4 All credit interest on your IDIA will be paid gross and will contribute towards your personal savings allowance, if applicable. If you exceed your allowances, it's your responsibility to declare this to HMRC, as you may be required to pay some tax on the interest received via your own tax return (please check your personal allowances). For further information on your allowances and responsibilities please visit [gov.uk](https://www.gov.uk).

Dividends on UK shares are paid gross (but there may be some withholding tax in respect of non-UK shares) and will contribute towards your dividend nil rate band ("Dividend Allowance"). If you exceed your allowances, it's your responsibility to declare this to HMRC, as you may be required to pay some tax on the interest received via your own tax return (please check your personal allowances). For further information on your allowances and responsibilities please visit [gov.uk](https://www.gov.uk).

In addition, any growth in the value of an investment may be subject to capital gains tax if your total capital gains (less allowable losses) from all sources exceeds your annual exemption limit. The sale of shares or units in certain Funds which are designated "non-reporting funds" by HMRC may have a different treatment – you may wish to seek independent advice of such Investments. Some Funds may be offshore funds which are granted the status of "reporting fund" by HMRC and as such, if you are a UK taxpayer, you may need to declare the amount of distributions received during the year on your tax return. You will also be required to declare your share of any excess reportable income from the Fund over the sums actually received. Reports of the relevant income will be made available to investors by the Fund and you will be responsible for obtaining this information. Information relating to a Fund's excess reportable income should be available from the Fund directly, for example in the annual report and accounts, or in some circumstances, may be available online.

This information is based on our understanding of current UK tax law and HM Revenue & Customs practice. Both tax law and practice may of course change. Your tax liability will depend on your own individual circumstances, including your country of residence for tax purposes. If you are unsure about your own situation, you should seek appropriate professional advice.

17.5 We will use reasonable endeavours to forward to you any tax documents which we may receive relating to you or any money or Investments in your IDIA.

17.6 If you're a UK resident and non domiciled for UK tax purposes, using money from your HSBC Expat Bank Account (or any other money you hold offshore) to settle trades through InvestDirect International may create a UK taxable remittance. If you're not sure if our sharedealing service is right for you, we recommend you get independent tax advice.

18. Bankruptcy

In the event that a petition for a bankruptcy order is presented against you, then you agree that we may:

- ◆ refuse to act on any Instructions given by you or anyone else to make any payment(s) out of your IDIA, unless you have previously obtained an appropriate order from the Court; or
- ◆ set up a separate IDIA in your name to which any of your future payments in will be credited. In the Channel Islands and the Isle of Man, local legislation will apply.

19. Our right of "set-off"

19.1 In addition to any other rights, we will have a right to use the proceeds of sale of your Investments to reduce or repay any amounts you owe in relation to your IDIA (including any Default amount) or on any other accounts you hold with us anywhere in the same name, whether or not those accounts are in the same currency.

19.2 If your Nominated Account is in credit, we may provide an instruction (acting as agent or on your behalf) to HSBC Expat to pay us an amount from that account in any currency, converted at our prevailing rates of exchange, to repay or reduce any amounts you owe us, including but not limited to any negative balance on your Settlement Account, any Default amount or other sums due on an IDIA you hold with us and sums payable in connection with a trade in Investments which we have executed for you, but not yet settled.

19.3 If your Nominated Account is not in credit, or it is in credit but you do not have sufficient Cleared Funds to repay the amounts you owe us, we may still provide the instruction referred to in the preceding clause. In these circumstances your Nominated Account may go into overdraft. It is your responsibility to meet any associated obligations to HSBC Expat (including any penalty fees) you may have under the terms and conditions applicable to your Nominated Account.

19.4 In addition to our rights under clauses 19.1 and 19.2 above, we also have the right to sell any of your Investments and use the proceeds to reduce or repay the amount owed as set out in more detail in clause 10, section 3.

19.5 If we choose to exercise our rights under this section:

- ◆ we will tell you why and when it has been done;
- ◆ in doing so, we may (and you irrevocably authorise us to) convert to sterling at the prevailing market rate of exchange any balance that is in a currency other than sterling; and in doing so we will have no liability to you. Nothing in this clause will prevent us from exercising at any time any other right of set-off, or of combination of accounts to reduce or repay any amounts you owe us.

20. Cancellation of your IDIA

For a period of 14 days after the date we open your IDIA, you have the right to cancel your Agreement with us and close your IDIA. You can do this by writing to us at our Administration Office, or by sending us a secure e-message from your IDIA which is accessed through OB. However, please note you will not be able to cancel any transactions undertaken during the 14 day period via HSBC InvestDirect International where the price depends on fluctuations in the financial market place. Any transactions in progress at the time of closure will be completed as soon as possible and you will not be entitled to a refund of any charges applicable to the transactions. We will give you all your money back together with any interest it has earned less any money due to us at the time you cancel the Agreement, however you will not be charged for cancelling the Agreement or closing your IDIA. For Applications completed by telephone, the cancellation period will start from the date you receive the Terms in the post.

21. Contacting you

21.1 You agree that we may use any of the contact details you have provided to us including your postal address, telephone number(s) (including your mobile telephone number) and Email address to contact you personally for service or operational reasons. These include telling you about changes to the Terms and generally communicating with you about the day-to-day running of your IDIA, products and services. If you are registered for OB, you agree that we may also contact you using our secure e-message service within OB for these purposes. You must ensure that the contact details you provide are accurate and that you notify us promptly of any changes. Remember, Communications may contain confidential information and if anyone else has access to your Email inbox or mobile telephone messages for example, they may be able to see this. If you would prefer that we do not contact you for service or operational reasons by Email, mobile message or secure e-message, please let us know. Whilst we will try to use your preferred channels wherever possible, you may continue to receive important service messages via any of these channels, for example, when we need to contact you urgently. Where we hold alternative postal address(es) for you, we may send mail to your principal residential address if it is returned from, or you do not respond to, mail sent to your correspondence address.

21.2 We may provide you with information including documentation via the Website as permitted by the FCA rules and where you have agreed to this. By signing up for your IDIA you agree to receive information via the Website. We will notify you of the Website address electronically when such information is put onto the Website where it will be updated from time to time. You agree that we may in particular provide the following to you via the Website:

- ◆ our terms in relation to trading;
- ◆ a general description of the nature and risks of financial instruments;

- ◆ our published fee tariffs, Costs and Charges Disclosure Document and other information on our costs and charges;
- ◆ details of our Best Execution policies; and
- ◆ Key Information Documents (KIDs) and Key Investor Information Documents (KIIDs) (as required).

21.3 KIDs (where available) and KIIDs may be accessed and viewed, downloaded, saved and printed from our Website or from another website that we will provide to you. We will provide you with a KID or KIID on paper, or via the Website depending on the choice you made when becoming a client or subsequently chose. Where you have chosen to receive KIDS or KIIDs via the Website, you confirm that you have regular access to the internet and you have provided us with your email address. Where we have provided you with a KID or KIID via a website you have the right to request a paper copy of the KID or KIID free of charge. We will direct you to the Website or websites on which any KIDs or KIIDs are available.

21.4 If for a 24 month period you hold no Investments, have not given us any Investment dealing instructions and have a cash balance below £10 and you have no other sharedealing accounts in the same name, we will mark your account as dormant. If there is no activity for a further 12 months, we may close your account. We will take this action to protect both you and us. If you ask us we will tell you how you can access your accounts either directly or via UK Finance, the Building Societies Association or National Savings and Investments dormant account scheme. If you have money in a dormant account, it will remain your property (or if you die it will form part of your estate). If you have an Investment Account which ceases to be dormant we will write to you to confirm that your account is no longer dormant.

22. Transferring rights and obligations

We may transfer all or any of our rights in relation to your IDIA. We may also transfer any of our obligations but only to someone we reasonably consider capable of performing them and who is authorised or recognised by the FCA as being entitled to accept deposits and deal in Investments. This includes us appointing another HSBC Group company as our agent (ie to act on our behalf) for debt recovery purposes. You may not transfer any of your rights or obligations in relation to your IDIA.

23. Not enforcing the Terms

We may occasionally allow you extra time to comply with your obligations or decide not to exercise some of our rights. However, we can still insist on the strict application of the Terms later on.

24. Your statutory rights

Nothing in these General Terms will reduce your statutory rights including your rights relating to misdescribed accounts or services, the fairness of Terms on which they are provided to you, any rights you may have to close your IDIA and/or claim compensation. For further information about your statutory rights, contact your local authority Trading Standards Department, the Office of Fair Trading or the Citizens Advice Bureau.

25. Governing law and language

The Terms are governed by the laws of England and Wales. The Terms are in English and all Communications we send to you will be in English.

26. US sharedealing

If you wish to trade in US equities, we require you to complete the relevant US Internal Revenue Service form (currently W-8BEN for all non resident aliens or W9 for all persons classified as a US person). This form will allow us to ensure that the correct amount of non resident tax, withheld at source on relevant US source income, is deducted. This form needs to be completed again every three years to comply with the Internal Revenue Service regulations.

Section 3 – Sharedealing Terms

1. Foreign exchange

You authorise us to enter into foreign exchange transactions on your behalf at our prevailing rates of exchange to enable us to execute your Client Orders. Such transactions will be made either on Instructions from you, or in the absence of such Instructions, as we think fit (either before or after termination or cancellation of the Agreement) to enable us to execute your Client Orders under these Terms.

You will not be permitted to deal in Investments until your Application has been accepted and all account opening formalities have been completed including the confirmation of your Trading Limit.

2. Trading Limit

2.1 We will confirm your Trading Limit to you in writing. This will allow you to deal in Investments with us up to a pre-determined limit within our defined Settlement Period. Thereafter, you may apply from time to time to us to increase or decrease your Trading Limit. We shall be under no obligation to grant any request to increase or decrease your Trading Limit.

2.2 Each time you Trade, your available Trading Limit will be adjusted to reflect the amount of the purchase price for that Trade (including any applicable fees and charges). The amount available to you in your Trading Limit for Trades will be affected by the length of time it takes to settle Trades following a sale or purchase of an Investment.

2.3 It is your responsibility to ensure that you do not at any time exceed your Trading Limit, unless we have expressly authorised you to do so. You must take into account any fees and charges which apply to Trades when making a Trade as these also affect your Trading Limit.

2.4 We reserve the right not to act upon an Instruction if it would result in your Trading Limit being exceeded.

2.5 If we execute a Client Order on your behalf, and you have exceeded your Trading Limit, this does not mean that we have agreed to increase your Trading Limit.

2.6 Where the available Cleared Funds held in your Nominated Account are insufficient to settle any of your purchases on the Settlement Date, we reserve the right not to act upon a subsequent purchase Instruction until such time as sufficient Cleared Funds have been made available in your Nominated Account to settle the relevant purchase(s).

2.7 If you do not have sufficient Cleared Funds in your Nominated Account to pay for any Trades you have made, you must reimburse us in full by end of the Business Day following the day on which the Trade was made. Failure to do so will put you in Default. We may serve you with a default notice, failing which we may sell any of your Investments to settle the outstanding amounts at our discretion and you authorise us to do so, as set out in more detail in clause 10 of Section 3.

3. Investment dealing service

3.1 You may only trade in Investments as defined in these Terms.

3.1.1 We may not offer the full range of Investments available in the Regulated Market.

We reserve the right to remove or suspend any Investment from your IDIA if there is extreme market volatility or for any other valid reason we may tell you of. However, if you have already asked us to buy an Investment before we decide to remove or suspend that Investment from your IDIA, we will still try to execute that order for you. If you have an Investment in your Investment Account which has been suspended or removed, we may still allow you to hold or sell that Investment. If we are no longer able to support holding an Investment for you we will inform you in writing with sufficient notice before any sale of the Investment is undertaken.

We also reserve the right not to make all Investments available to all customers.

If we do include or exclude a particular Investment when providing your IDIA to you, this does not mean we are giving you any advice as to the suitability or appropriateness of that Investment.

3.2 You may submit your Instructions via our Website or by calling the Customer Service Centre. Please be aware that we will not accept investment instructions by any other methods, which include, by fax, email or Secure e-message. If you submit your orders via the Customer Service Centre, we will generally charge you a higher fee than for dealing via Online Banking (as stated on our Rates and Fees). During times of exceptional stock market volumes, you may experience long call waiting times due to the number of customers calling us. When you place an order, we may, in our absolute discretion, decline to accept it or subject it to conditions. We will use our reasonable endeavours to contact you personally to notify you if this happens. If the price of the relevant Investment is not in sterling, a foreign exchange transaction will be performed automatically on the execution date at our rate of exchange prevailing at the time at which the Trade was executed, as displayed on your contract note and Statement.

3.3 When we accept an order, we will use reasonable steps to achieve the Best Possible Result, but we will not be liable for any loss or expense you incur if we are reasonably unable to do so for whatever reason (including systems failures), or if there is a delay or change in market conditions before the transaction is effected. If you place a Trade or a Client Order to buy or sell Investments and we cannot execute your order in its totality, if your order can be partially executed, we will execute it to the extent possible and the balance will be cancelled at market close or on the expiry date of the order. Subject to any applicable Laws we will not be liable for any loss suffered by you arising from partially executed or cancelled orders. Please be aware that if you place an extended Limit Order (over more than one day), and at the end of the day your order has partially executed (only some of the shares you wanted to trade were available at the price you set), the remaining balance from your original order will be placed the following day. This will occur until the expiry date of your order and you will be charged a trading fee (as set out in the Rates and Fees Page) for each day your order is partially executed.

3.4 With the exception of Fund Shares, we may provide real time or delayed prices. All prices provided by us are indicative only, unless expressed by us to be a “fixed price quote” and accepted by you in the prescribed manner within 15 seconds.

“Fixed price quotes” are not guaranteed. When you enter a buy or sell order in a UK Investment during Trading Hours through Online Banking, we’ll usually show you a ‘fixed price quote’ on the preview order screen which we will use our best endeavours to fulfil. The fixed price quote is calculated by taking the best price offered by a number of market makers at the time we request a quote. A countdown screen will appear and give you 15 seconds to confirm the order. The price quoted to you will hold good for 15 seconds unless for example, there has been market volatility in the 15 second countdown and the price offered by a third party market maker is withdrawn.

During the 15 seconds you have to accept the fixed price quote provided, the market may fluctuate. This means that if your order is executed in the market at the fixed price quoted, it may be better or worse than the best bid or offer price at the time of execution.

Where you place an order and a fixed price quote isn’t available (for example, if the order is placed outside of market hours or you place a large order over the quoted market size) we’ll instead give you an indicative quote. If your order is then executed in the market the execution price may be higher or lower than the indicative quote. Indicative quotes are not guaranteed.

3.5 We will accept orders given outside Normal Market Hours. Orders accepted when a market is closed will be placed when or as soon as reasonably practicable after the market next opens.

3.6 Client Orders given during Normal Market Hours are usually irrevocable. You will only be able to cancel a Client Order if you have entered it outside Normal Market Hours and it has not already been placed with the market in accordance with clause 3.4 of this Section 3 or if you have placed a Limit Order and the

limit has not been met. We will not be liable for any loss if a Client Order cannot be cancelled at your request.

3.7 There is a risk of increased price volatility when placing a Client Order when the market is closed or near to the market’s opening and you should consider placing a Limit Order.

With the exception of Fund Shares, if you place a Client Order shortly before the end of Normal Market Hours, whilst we will take all reasonable steps to arrange for your order to be executed before the market’s close, your order may not be executed in which case it will be cancelled. We will make every endeavour to advise you of the cancellation and if you still want to buy or sell the Investments, you must place the order again. To the extent permissible under applicable Laws, we will not be liable for any loss arising from such a cancellation.

3.8 In exceptional circumstances, your order may be combined with orders of other customers or other members of the HSBC Group. This would only be done where we believe that it will be more to your advantage than if your order was executed separately. Despite this, grouping orders may sometimes result in a less favourable price for you, thus working to your disadvantage.

3.9 In the absence of any written notification from you to the contrary, we may deal for you in circumstances in which the relevant transaction is not executed on a Regulated Market or Multilateral Trading Facility or otherwise regulated by the rules of any Investment Exchange. We may in any event seek to obtain your prior consent before executing a Trade that is not governed by the rules of an Investment Exchange.

3.10 You are not permitted to short sell (in other words, to sell any Investments that you do not already hold within your IDIA).

3.11 You may not sell Investments that you do not have in your Investment Account, but you may sell Investments that have been bought but not yet been settled, or utilise cash due from Investments that have been sold but not yet been settled.

3.12 You may enter market orders and Limit Orders although you are not permitted to place Limit Orders for Fund Shares.

A market order is an order to execute at the best price reasonably obtainable. You may place a limit order to remain open for up to 28 calendar days using our telephone service. While we try to execute Limit Orders if the limit price is reached, we cannot guarantee to deal at your given price, particularly in fast moving or volatile markets.

3.13 The following terms in this clause 3.13 apply to dealing in Fund Shares (in addition to the terms of clauses 3.1 to 3.12 of this Section 3, except where stated otherwise). In the event of a conflict between the terms of this clause 3.13 and the terms of clauses 3.1 to 3.13 of this Section 3, the terms of this clause 3.13 of this Section 3 will prevail.

3.13.1 Orders for Fund Shares received by us after 11am on a Fund Business Day will be placed on the next Fund Business Day.

3.13.2 We will accept orders received outside Fund Dealing Hours, but if we are unable to carry out such orders on that day, they will be placed on the next Fund Business Day.

3.13.3 Orders given during Fund Dealing Hours are irrevocable. You will only be able to cancel an order if you have entered into it outside Fund Dealing Hours and it has not already been placed with the Operator.

3.13.4 Orders to purchase Fund Shares shall be expressed in terms of cash to be applied in the purchase of such Fund Shares.

3.13.5 Orders for the sale of Fund Shares shall be expressed in terms of the number of Fund Shares that you wish to sell.

3.13.6 All dealings in Fund Shares are subject to the dealing arrangements and the Terms and Conditions of the Funds. The scheme particulars of the Funds together with the relevant key features documents are available on our Website and hard copies are available upon request.

3.13.7 Subject to clause 3.13.6 of this Section 3, the minimum initial investment for each Fund is £1,000. The minimum subsequent investment is £100. The minimum order for the sale of Fund Shares in a particular Fund is the lower of £500 and your entire holding of Fund Shares in that Fund. We may at our sole discretion waive in whole or in part the investment restrictions referred to in this clause.

3.13.8 In accordance with clause 7.1 of this Section 3, and subject to clause 7.1.4 of this Section 3, Fund Shares will be registered in the name of an appropriate nominee company selected by us or one of our sub-custodians.

3.13.9 The prices of the Funds appearing on our Website will be based on the latest prices published by the Operator, but these will not be the current prices since the Funds deal on a forward pricing basis (in other words, the price is fixed when the Fund is next valued after your order is placed).

3.13.10 The Operator has the right to suspend the issue and redemption of Fund Shares in certain circumstances and in the event of such a suspension we will have no liability for failure of Fund Shares being issued or redeemed in such a case.

4. Stabilisation

4.1.1 When a new issue of shares comes on to the market, stabilisation may occur. Sometimes the price of newly issued shares can drop before buyers are found. Stabilisation enables the market price of a security to be maintained during the period that the new issue is being sold to the public. It may affect the price of the new issue and the price of other securities relating to it.

4.1.2 The 'stabilisation manager' is normally the firm chiefly responsible for bringing a new issue to market. The stabilisation manager is entitled to buy back securities that were previously sold to investors or allotted to institutions that have decided not to keep them. The effect of this is to keep the price at a higher level than it would otherwise be during the period of stabilisation.

4.1.3 The fact that a new issue or a related security is being stabilised should not be taken as any indication of the level of interest from investors, nor of the price at which they are prepared to buy securities.

4.1.4 Stabilisation is allowed by the FCA and stabilising managers have strict rules that they must adhere to.

5. Best Execution

5.1 The only duties that we owe to you in respect of achieving the Best Possible Result for your Trades are those set out in the conduct of business sourcebook located in the FCA's rules.

5.2 Your Trades will be executed in accordance with our Best Execution Disclosure Statement which is set out in Annex 3.

5.3 You agree and confirm that by agreeing to these Terms and each time you give Instructions in relation to your Financial Instruments, you consent to;

5.3.1 our Best Execution Disclosure Statement; and

5.3.2 the execution of your Trades outside a Regulated Market or Multilateral Trading Facility or Organised Trading Facility.

5.4 Where we execute deals on your behalf, you authorise us to:

5.4.1 Deal with or through any counterparties, including third party brokers, as we reasonably think fit;

5.4.2 Negotiate and execute contracts with third parties which we reasonably consider to be necessary (for example, third party brokers), on your behalf; and

5.4.3 Otherwise act as we reasonably consider to be appropriate.

6. Client money

Where we, HSBC UK Bank plc, hold money for you, we hold it as banker and not as trustee (nor your agent, if you are in Scotland).

As a result, any money will not be held in accordance with the client money rules contained in the FCA rules. If HSBC UK Bank plc were to fail, the FCA client money distribution and transfer rules would not apply to your money and so you would not be entitled to share in any distribution made under those rules. Money held may benefit from protection under the Financial Services Compensation Scheme subject to your eligibility to make a claim under that scheme. Please refer to the General Information section of these Terms for further details.

Please also see your terms and conditions with HSBC Expat as to any compensation scheme that may apply in relation to your accounts with them.

7. Settlement and custody

7.1 Investments will be registered in the name of a nominee company and will be segregated from our property in order to protect your interests in the event that we or the nominee were to fail. We have policies and procedures in place to undertake checks and reconciliation of the records and accounts of your Investments to resolve any discrepancies which are identified and to deal with any shortfalls in your Investments. Where we are responsible for any such shortfall, we shall purchase or borrow assets immediately at our cost to correct your position. We have also established a trust account for the purpose of holding any such assets on trust for your benefit. Subject to the terms of the relevant trust account, we may use or apply any income arising out of such assets for our own account or otherwise at our own discretion. The protection accorded to your Investments under the FCA rules is in addition to any rights you may have, subject to eligibility, to claim compensation under the Financial Services Compensation Scheme, as set out in the General Information section of these Terms.

In relation to your Investments:

7.1.1 we do not accept Instructions from our customers to register Investments in a name specified by them;

7.1.2 your Investments will be pooled with investments we hold for other customers in a single securities account (including accounts held with a sub-custodian or Clearing System) for our customers' investments, which means that your ownership of a proportion of the Investments in the pooled account may not be identifiable by separate certificates or electronic records. However we will keep a separate record of your individual entitlement. In the event of an uncorrected shortfall on the default of a sub-custodian or Clearing System, (and save as provided in clause 13.10 of this Section 3), you may share proportionately in that shortfall; and

7.1.3 Investments will be held either by us or with such sub-custodians and/or Clearing Systems as we consider appropriate. You should note that we and any sub-custodian will have security interests or liens over, or rights of set-off in relation to, Investments or cash held with us or them. A Clearing System (or its depositories) may also have such rights. In addition, where you owe us money, and you have no cash standing to the credit of your accounts, we may act as your agent to sell Investments on your behalf and credit the proceeds of sale to your cash account. A lien is the right to treat an Investment as our or their asset and dispose of it (in our case as your agent) in order to cover a debt obligation owed.

By entering into this Agreement you agree that these types of interest may occur in two situations:

(a) A security interest, lien, right of set-off or right of sale may arise to permit us, any sub-custodian or Clearing System the right to retain, transfer into our or their name, or sell (acting as agent or as principal) your Investments and apply the proceeds to discharge any monies properly owing to us or them for the provision of custody services.

(b) A security interest, lien or right of set-off may arise where it is required by the applicable law in a non-EEA country where your Investment is held. This may be a general mandatory requirement or a requirement of the custody or Clearing System of that jurisdiction.

We will only allow your Investments to be held in this way by a sub-custodian and/or Clearing System in accordance with the Rules and when we have taken reasonable steps to determine that this is in the best interests of our clients. The periodic statement that we send you as noted in Section 1, Clause 8 will contain additional information regarding Investments held in non-EEA jurisdictions.

7.1.4 In some jurisdictions it may not be possible for your Investments which are held by a sub-custodian or Clearing System to be separately identifiable from that sub-custodian's assets, the Clearing System's assets or the assets of its other clients. Where your Investments are held in this manner:

(a) your ownership of a proportion of the assets in the pooled account will not necessarily be immediately identifiable by way of separate certificates, other physical documents or equivalent electronic records. There will be a record kept by us to assist in the identification of your Investments;

(b) in the event of the failure of HSBC UK Bank plc, a sub-custodian or Clearing System, it may be difficult or not possible to identify clearly your Investments and to transfer their custody easily to you or to another sub-custodian. If there is an irreconcilable shortfall on the pooled account, your Investments may be pooled with all the assets in the pooled account including the assets of the sub-custodian or Clearing System and all of their clients in that pooled account. Everyone who holds assets in the pooled account may then share in that shortfall. The amount of the shortfall will be calculated in proportion to their original share of the assets in the pooled account.

7.1.5 Your investments which are subject to the law of a non-EEA member state may be held overseas. There may be different settlement, legal and regulatory requirements and different practices for the separate identification of investments from those applying in the EEA.

7.2 If you transfer Investments into your Investment Account, you will not be able to sell them until they have been transferred into our nominee name. We will not be liable for any loss you may suffer if you are able to sell any Investments that you do not have in your Investment Account or that have not yet been settled.

7.3 You authorise us to debit from and credit to your Nominated Account the necessary funds at the close of each Business Day to ensure that the balance of your Settlement Account is returned to nil.

7.4 The Settlement Date for sales of equity Investments traded on a European exchange will normally be two Business Days after the date of Trade (T+2) or three Trading Days for US equities (T+3). For all other investments the Settlement Date will be indicated on your contract note. If you buy Investments you must at the Settlement Date have sufficient funds in your Nominated Account to settle your purchases. If you sell Investments, on the date you instruct us to sell, you must have sufficient Investments available to sell in your Investment Account and, on the Settlement Date, you must have sufficient settled Investments to settle your sales.

7.5 You will be and will remain, the beneficial owner of your Investment Account (and any other Account in your IDIA other than your Settlement Account). However, the title to any Investments held in such accounts will be registered in the name of an Associate as our nominee (subject to clauses 7.1.4 and 7.7).

7.6 Where we act for you as your agent, it is the other party to the transaction and not us who is responsible for settling the trade with you and delivery or payment (as the case may be) will be at your entire risk.

Our obligation is only to pass on to you, or to pass on as you direct, or to credit to your IDIA, such deliverable documents or sale proceeds (as the case may be) as we actually receive. Where your money is held by a third party pending the settlement of a transaction which we have executed for you, we shall be entitled to retain any interest accruing on it for our own account.

7.7 We are authorised to hold your Investments with such sub-custodians and/or Clearing Systems as we may think fit, including sub-custodians who may be members of the HSBC Group. We remain responsible for your Investments to the full extent required by the FCA Rules.

For the avoidance of doubt, a reference in these Terms to "our nominee" includes a nominee of one of our sub-custodians.

7.8 Unless you give us instructions in relation to voting in accordance with clause 7.15 of this Section 3, you will not be sent shareholder communications. You will not receive shareholder benefits and you will not be entitled to exercise any voting rights attaching to your Investments.

Notwithstanding anything else stated in these Terms, in the absence of any specific Instructions, we will not exercise any voting rights attached to any Investments.

7.9 Entitlements received by us or a sub-custodian on your Investments will be calculated by reference to our (or the sub-custodian's) aggregate holding of a particular Investment on behalf of all customers, us or Associates. The procedure adopted for calculating entitlements may mean we receive an aggregate entitlement greater or less than the sum of the individual entitlements we would have received, if each such person's entitlement had been held separately.

7.10 Where such entitlement is greater, we will credit your IDIA with an amount at least equal to the amount you would have received if your entitlement had been held separately.

If you are entitled to a fraction of one share, this will be aggregated with the fractional entitlements of other customers and sold. You will receive the net proceeds from the sale on a pro-rata basis. We will be entitled to any remaining balance (which will be a fraction of one pence) for our own account.

7.11 Where such entitlement is smaller, we will credit your IDIA with an amount calculated on a pro-rata basis, which will be less (by a fraction of one pence) than the amount that you would have received if your entitlement had been held separately.

7.12 When an entitlement results in your allocation being in fractions of Investments or units of currency then we may credit the equivalent value in cash to your IDA instead of the Investment or unit of currency. If we are not able to credit your IDA with cash instead of the fractional entitlement then you agree to relinquish your interest in the fractional entitlement to us or our sub-custodian then we or the sub-custodian may donate the amount to a charity of our or the sub-custodian's choice, or pay it to an Authority or as permitted by applicable law.

7.13 We will be responsible for claiming and receiving dividends and interest payments accruing to your Investments. We will convert all money received from dividends, interest payments etc. into sterling and credit it to your Settlement Account.

We will not notify you of the dividend payments attaching to your Investments, which will be credited to your IDIA in either cash or Investments, depending on the standing Instruction that you give us or gave to us on opening your IDIA. You can check or amend the status of your standing Instruction by contacting our Customer Service Centre.

7.14 We will use reasonable endeavours to notify you of any corporate action such as rights issues, takeovers, mergers etc. attaching to Investments in your Investment Account. Although there may be some situations where this is not possible, in these scenarios, we will act on your behalf and in the best interests as we see fit. Any notification will be issued as soon as possible after we have been advised by our relevant sub-custodian or Market Data Provider. We will have no liability for any losses suffered and/or expenses incurred, if after using all reasonable endeavours to contact you we are not able to tell you about a corporate action.

7.15 If you notify us within such period as we may specify, that you wish to exercise rights in respect of your Investments, we will use reasonable endeavours to give effect to your Instructions but only on such Terms as we may agree from time to time. Otherwise, we will take such action, or refrain from taking any action, in respect of any corporate event, as we in our absolute discretion determine (including, without limitation, arranging the disposal of any subscription rights on your behalf in such manner as we think fit).

7.16 If you give us Instruction in relation to voting, only those Instructions relating to voting rights will be accepted by us and those Instructions must relate to a single line of stock (you are not permitted to make Instructions for multiple lines of stock at the same time). Instructions will not be accepted for other shareholder benefits. We will not accept standing Instructions.

7.17 Where a corporate event results in you receiving, in settlement, an Investment that can not be held in your Investment Account, we will transfer the Investment into your name on the company's register and arrange for you to be sent a share certificate or statement of holding. Where the Investment cannot be transferred into your name we will sell your entitlement and credit the net sale proceeds to your Settlement Account.

7.18 If we are notified of any demands on Investments in your Investment Account, in respect of unpaid monies, we will use reasonable endeavours to notify you of such demands. We will satisfy such demands on such terms as you advise and are reasonably acceptable to us. Otherwise, we will not be required to take any action on your behalf and will not have any liability in respect of the consequences of a failure to satisfy demands made. However, where we are legally liable to meet such demands, we may do so and you will reimburse us immediately upon demand.

7.19 In the event of a failed purchase trade, we will:

- ◆ move the money we took from your Settlement Account to effect settlement into an appropriate bank account until the trade has settled in the market;
- ◆ send you a letter telling you about the Failed Trade within seven Business Days of the Settlement Date, if the trade remains unsettled at this point; and
- ◆ inform you once the trade has settled in the market.

You will receive the same price in the event of a Failed Trade as you would have received had the Trade been settled in accordance with the contract note. Whilst you will not be able to transfer an Investment that is the subject of a Failed Trade, you will be able to sell the Investment. The delay in obtaining the stock will not affect your rights to any entitlements associated with the ownership of shares, such as dividends, which are due to you.

7.20 In the event of a Failed Sell Trade you'll still receive your proceeds on the original settlement date. You'll receive the same price in the event of a Failed Trade as you would have received had the Trade been settled in accordance with the contract note.

7.21 On the expected settlement date our records of your holdings will be updated to reflect the Trade as settled even where there is a Failed Trade.

8. Conflicts of interests

8.1 A summary of the HSBC policy on conflicts of interests is set out in Annex 4 at the end of these Terms. In relation to some of our services we may receive other minor benefits (but not payments) that we believe improve the quality of the service provided to you. Such benefits will be minor in nature so that they do not impact on our ability to always act in your best interests.

8.2 We will always try to act in your best interests in carrying out any transaction for your IDIA.

8.3 In some circumstances we may, without prior reference to you, (and without having to account to you for any benefit received as a result) carry out any transaction for your IDIA even though:

- 8.3.1** a conflict may arise between our interests or that of any of our customers and our duty to you; or
- 8.3.2** we act on our own behalf or as agent of an Associate; or
- 8.3.3** we act as agent for you and for another party to the transaction (including an Associate); or
- 8.3.4** it relates to Investments, the issue, offer or sale of which has been underwritten, managed or arranged by an Associate within the previous twelve months; or

8.3.5 we act for more than one investor (including you) collectively.

9. Market Data Providers

9.1 The Market Data provided to you is provided by various third party sources referred to as Market Data Providers.

By using the Market Data, you acknowledge and agree that:

9.1.1 Market Data is provided solely for your individual use and may not be used in connection with the issuance, trading, marketing or promotion of investment products without a separate written agreement between you and the Market Data Provider who owns it. You may not copy, distribute or redistribute the Market Data, including by caching, framing or similar means, or sell, resell, re-transmit or otherwise make the Market Data available in any manner to any third party. You may not store the Market Data for the purposes of creating a historical database or historical data product;

9.1.2 Market Data is and will remain the property of the respective Market Data Providers; and

9.1.3 at any time, the Market Data Providers may discontinue disseminating any category of Market Data, may change or eliminate any transmission method and transmission speed and you will not hold the Market Data Providers or us liable for any resulting liability, loss or damage.

9.2 This clause 9 is for the express benefit of the Market Data Providers and they may enforce these provisions against you.

9.3 This clause 9 will remain in effect for as long as you have the ability to receive Market Data and will survive termination of your IDIA.

9.4 The Market Data is provided “as is” and there may be delays, omissions or inaccuracies in it. We, the Market Data Providers and our and their respective employees, affiliates and agents cannot and do not guarantee the accuracy, completeness, timeliness, merchantability, fitness for a particular purpose, title or non-infringement of the Market Data and disclaim any such express or implied warranties, to the fullest extent permitted by law.

9.5 Neither we nor the Market Data Providers, and our respective and their affiliates and agents, will be responsible for any delays, losses, costs, damages or expenses you suffer in the event of a Force Majeure, provided where relevant, that we will remedy the situation as soon as possible.

9.6 You acknowledge and agree that we are not an agent of NASDAQ Stock Market, Inc.

10. Charges over Investments

10.1 All of your Investments and money in your IDIA are subject to our security interest to cover outstanding amounts (including interest and any other fees) due from you to us. If you default in paying any amount by the due date, we are, subject to the default notice referred to in clause 2.7 of this Section 3, entitled to sell any such Investments and/or use any such monies in any way we consider fit to discharge your debts.

10.2 If the IDIA you hold with us is in credit, we may use it to reduce or repay any amounts you owe on other accounts you hold with us anywhere in the same name (including any card accounts), whether or not those accounts are in the same currency.

If we choose to exercise this right:

- ◆ we will tell you why and when it has been done; and
- ◆ in doing so, we may (and you irrevocably authorise us to):
 - bring to an end any fixed deposit period applying to any of the accounts you hold with us and adjust any interest payable by the Bank; and
 - convert to sterling at the prevailing market rate of exchange any balance that is in a currency other than sterling; and in doing so we will have no liability to you.

Nothing in this clause 10.2 will prevent us from exercising at any time any other right of set-off or of combination of accounts to reduce or repay any amounts you owe us.

10.3 If either the Settlement Account or the Investment Account is in debit, we may use any other accounts you hold with us anywhere in the same name (including any card accounts) whether or not those accounts are in the same

currency to reduce or eliminate the debit balance. If we decide to do so:

- ◆ we will tell you why and when it has been done; and
- ◆ in doing so, we may (and you irrevocably authorise us to):
 - bring to an end any fixed deposit period applying to any of the accounts you hold with us and adjust any interest payable by us; and
 - convert to sterling at the prevailing market rate of exchange any balance that is in a currency other than sterling; and in doing so we will have no liability to you.

Nothing in this clause 10.3 will prevent us from exercising at any time any other right of set-off or of combination of accounts to reduce or repay any amounts you owe us.

10.4 The security created hereunder will remain in full force and effect by way of continuing security and will not be affected in any way by any settlement of account or other matter or thing whatsoever and will be in addition to any other security, guarantee or indemnity now or hereafter held by us or any other person in respect of your liabilities.

10.5 You hereby authorise us to execute and sign all such transfers, assignments, further assurances or other documents and do all such other acts and things as may reasonably be required to vest or to realise the above security, or any of it in us, or to our order, or to a purchaser or transferee, or to perfect or preserve our rights and interests in respect of the security, or for the exercise by us of all or any of the powers, authorities and discretion conferred on us by these Terms.

10.6 Unless the context requires otherwise, references in this clause 10 (however they may be worded) to action or steps that may be taken by “us” include references to any person holding any of the security or in whose name any of it may be registered.

10.7 In enforcing the security, we may sell, pledge, deposit or otherwise deal with all or any of the security, free of any interest of yours and as we in our absolute discretion think fit (without being responsible to you for any loss or reduction in price).

10.8 The net proceeds of any such dealings will be applied towards the discharge of your liabilities.

You will be entitled to any balance remaining after discharge of all liabilities. In the event of a shortfall, you remain liable for any such shortfall and will immediately pay to us the balance remaining due.

10.9 All of your Investments in your Investment Account are subject to our lien.

10.10 Sections 93 (restriction of right of consolidation) and 103 (restriction of right of sale) of the Law of Property Act 1925 will not apply to these Terms.

10.11 If you fail to make any payment or to deliver any assets due to us, we may enforce the security, without prior notice or demand to you.

11.1.3 Unless otherwise stated in these Terms, you must not contact us by Email.

We will send you paper Statements as set out in clause 8 of Section 1. Contract notes (trade confirmations) will be dispatched to you by Secure e-message on the Business Day following the day on which the Trade was made. You may ask for paper copies by telephoning on the number at the front of this document.

11.2.3 We will inform you of any changes in our contact details. Please tell us as soon as you can if you change your name, address, telephone, Email address (if applicable) or any other details. 11.2.6 We cannot provide taxation advice.

11.2.7 We do not make any representation as to the completeness, accuracy or timeliness of such information nor do we accept any liability for any losses, costs, liabilities or expenses which may arise directly or indirectly from use of, or reliance on, the information. Such information is not an offer or solicitation by us to buy, sell or otherwise deal in any particular Investment.

11.2.8 The information is and remains our property, the property of our licensors or the property of Market Data Providers and is protected by copyright and other intellectual property laws.

12. Your obligations

12.1 You agree and confirm to us each time you use InvestDirect International, that:

12.1.1 you are not in any way legally or otherwise restricted or prohibited from making a transaction or otherwise using our services;

12.1.2 these Terms and each transaction hereunder are your valid and legally binding obligations (and/or the obligations of the person(s) on whose behalf you are acting);

12.1.3 your entering into and performance of these Terms and each transaction hereunder does not violate, contravene, conflict with or constitute a default under any law, regulation, rule, judgment, contract or other instrument binding on you or any of your assets (and/or of the person(s) on whose behalf you are acting); and

12.1.4 in accepting these Terms, we have not made, and you are not relying upon, any statements, presentations, promises or undertakings that are not contained herein.

12.2 You accept full responsibility for monitoring your IDIA. You should notify us as soon as possible in writing if you become aware of:

12.2.1 the failure by you to receive a message from us indicating that an order was received, rejected and/or executed or any such message becoming distorted or wrongly transmitted due to defects in the network where you use our internet service; or

12.2.2 any inaccurate information in your IDIA, payment, balances, records or assets or money held or transaction history.

12.3 You should not access your HSBC InvestDirect International Account from another country if it is not permissible to do so in that country. You acknowledge that it is your responsibility to check that this is not the case and we will not be liable for your failure to do so.

12.4 If you buy or sell Investments during an offer period in either a target or bidder company involved in a takeover, you may be required to report details of your dealings to the Takeover Panel if you own or control 1% or more of the company's securities. It is your responsibility to make any such report or any similar report in analogous circumstances concerning a US company.

13. Liability

13.1 Subject to clause 10 of Section 1 – the General Terms, **13.1.1** neither we nor our directors, officers or employees will be responsible to you for losses you suffer unless they are caused by our (or their) breach of the Terms or our (or their) negligence, fraud, or wilful default in relation to your IDIA and

13.1.2 subject to Annex 5, clause 13.6 of this Section and clause 9 of Section 2, neither our Associates, agents or licensors nor any of their directors, officers or employees will be responsible to you for losses you suffer in relation to these Terms.

In any case, no person will be liable for any losses they could not reasonably have expected to occur.

13.2 We will not be liable to you if we do not act on your Instructions for any reason set out in the Agreement or if we cannot carry out our responsibilities to you because of any cause that we or our agents or sub- contractors cannot reasonably control. This exclusion includes any losses arising from the unavailability of the relevant network to users of our internet services, or data entered through or data becoming scrambled, lost or wrongly communicated in transmission.

This may be due to defects in the network, direct or indirect failure of power supplies, equipment, data processing and communication systems or transmission links. This exclusion also includes any losses arising because of strike or other industrial action to the extent that such matters are outside our or their reasonable control.

13.3 From time to time we may have to shut down our Website to enable us to perform essential work on, or major upgrades to, our service. We will make every effort to keep disruption to a minimum and to notify users of Web-Based Accounts in advance if such shut down becomes necessary.

13.4 If you default in paying any amount due, interest and Associated administrative and recovery costs will be payable by you on demand, at the rate from time to time published in our Rates and Fees Page.

13.5 All transactions are subject to the rules and customs of the relevant exchange, market and/or clearing house and to any other applicable rules, regulations and/or laws so that:

13.5.1 if there is any conflict between such rules and these Terms, the former will prevail;

13.5.2 we may take or omit to take any action we think appropriate to ensure compliance with such rules; and

13.5.3 such rules and any such action we take will be binding on you.

13.6 Nothing in these Terms excludes or restricts any obligation we have to you under FCA rules and/or the Financial Services and Markets Act 2000 or requires you to exempt or make good any loss to us against any breach by us of such an obligation.

13.7 If any provision of these Terms is held to be invalid or ineffective, it will not affect any other provisions.

13.8 Any of our services may be provided using the services of third parties, including our affiliates, who may act as a delegate or agent for us on such Terms as we think appropriate. We may do whatever we consider necessary or desirable for or incidental to the provision of our services.

13.9 We will not be deemed to have accepted any amendments to these Terms unless we agree otherwise in writing.

13.10 We accept liability for any sub- custodian or nominee company that is a member of the HSBC Group when they act as such. We will remain responsible for the acts or omissions of other sub-custodians to the extent of our own negligence, fraud and wilful default and to the full extent required by the FCA rules. We will not otherwise be liable for any losses suffered and/or expenses incurred as a result of Investments or cash being held with a Clearing System.

13.11 Please note, however, that applicable laws and regulatory requirements prevent us from conducting certain activities or taking on certain liabilities. As a result, we are not able to accept responsibility for the acts and omissions of:

(a) other HSBC entities that may provide you with execution and dealing services as contemplated by Annex 3. (Please also see Annex 5 which provides further information on this front); or

(b) HSBC Expat; for example, where they provide you with banking or other services as contemplated by this Agreement.

13.12 In the event of the insolvency of a Clearing System or of a sub-custodian or nominee company that is not a member of the HSBC Group, we will not be liable except to the extent of our own negligence, fraud or default.

IMPORTANT INFORMATION

We are regulated by the FCA. A share is an instrument representing a shareholder's rights in a company. When purchasing a share, you are, through our nominee company, becoming a co-owner of the company, you therefore participate in its development as well as in chances for profits and losses, which makes it difficult to forecast the precise yield on such an Investment. An extreme case would be if the company becomes insolvent, thereby eroding the total sums invested.

The value of your stocks and shares and those referred to on our Website and the income from them can go down as well as up and you may not get back the amount you originally invested. This may also happen as a result of changes in the rate of exchange where overseas securities or securities denominated in a currency other than sterling are held. Any investment should be considered as a medium to long-term investment (i.e. at least five years).

Past performance is not an indication of future performance. There is an extra risk of losing money when shares are bought in Alternative Investment Market (AIM) companies including penny shares. There is a big difference between the buying price and the selling price of these shares. If they have to be sold immediately, you may get back much less than you paid for them. The price may change quickly and it may go down as well as up.

Any tax information we provide is based on our understanding of current law and HM Revenue & Customs practice. Both law and practice may of course change. Your tax liability will depend on your own individual circumstances, including your country of residence for tax purposes. If you are unsure about your own situation, you should seek appropriate professional advice.

The Operators of the Funds may ask applicants to provide additional information and documents regarding proof of identity and other information required by relevant money laundering laws. You will provide us with such information as may be necessary to comply with such requirements and you acknowledge that the Operators reserve the right to refuse applications for Fund Shares and that we will have no liability for the consequences of not being able to place an order, due to the fact that the Operator has refused the application.

2. Best Execution factors

When executing Client Orders, we will take all sufficient steps to achieve the Best Possible Result on a consistent basis, taking into account a range of factors which include price; cost; speed; likelihood of execution and settlement; size; nature or any other consideration relevant to the execution of Client Orders.

If applicable, any Execution Venue costs will be disclosed to you.

3. Execution Venue

In certain cases, HSBC Bank plc will be the Execution Venue for Client Orders. In other cases, we will either choose another Execution Venue or route the transaction through HSBC Bank plc’s Global Banking and Markets division which will choose the Execution Venue. 4. Limit Orders

Where you have placed a Limit Order in an Equity Investment admitted to trading on a Regulated Market and the Limit Order is not immediately executed under prevailing market conditions; we will make your Limit Order public to ensure that it is executed at the earliest opportunity, unless you instruct us otherwise.

There is no requirement for a Limit Order to be made public if it involves Fund Shares which are not admitted to trading on a Regulated Market, or if it is significantly larger in scale compared with the normal market size.

5. Specific instruction warning

We will only execute your instruction as set out within these Terms and we will process your order in accordance with our Execution Policy. We are not able to accept any additional specific instructions you give us as to how to execute an order e.g. to use a specific broker or Execution Venue.

We will inform you of any changes either in writing or by publishing the amended Best Execution Disclosure Statement on our Website [hsbc.co.uk/investments/products-and-services/best-execution](https://www.hsbc.co.uk/investments/products-and-services/best-execution).

We will also monitor our effectiveness in achieving best execution of our Client Orders on a regular basis.

You may ask us at any time in the seven years following a Client Order to provide confirmation of how we obtained the Best Possible Result for the Client Order.

Annex 4

POLICY ON HSBC CONFLICTS OF INTEREST

The HSBC Group is a global organisation which provides a wide range of financial services. As such, it, or a company with whom it has an association (HSBC), may from time to time have interests which conflict with its clients' interests or with the duties that it owes to its clients. These include conflicts arising

between the interests of HSBC, its associates and employees on the one hand and the interests of its clients on the other and also conflicts between clients themselves. Conflicts may also arise from the receipt of payments or benefits from third parties or from remuneration and other incentive structures.

HSBC has established procedures which are designed to take all appropriate steps to identify and prevent or manage such conflicts which may adversely affect the interests of clients. A key element of this policy is that persons engaged in different business activities involving a conflict of interest must carry on those activities independently of one another.

Where necessary, HSBC maintains arrangements which restrict the flow of information to certain employees in order to protect its clients' interests and to prevent improper access to client information.

HSBC may also deal as Principal for its own investment account and maybe matching transactions with another client. Procedures are in place in order to protect the client's interest in this instance.

In some cases, HSBC's procedures and controls may not be sufficient to ensure that a potential conflict of interest does not damage a client's interests. In these circumstances, HSBC will consider whether it is appropriate to disclose the potential conflict to the client and obtain the client's formal consent to proceed. However, HSBC may decline to act in any circumstance where there is residual risk of damage to the interests of any client.

You may have further questions which relate to the underlying procedures within HSBC. In such cases you should contact the Client Enquiry team, who will direct your query accordingly.

Annex 5

YOUR RIGHTS AND RESPONSIBILITIES

We (HSBC UK Bank plc) will act as your agent in engaging another company in our group (HSBC Bank plc) to provide you with certain dealing and execution services for the purposes of the Agreement. These services will be provided under a terms of business between us and HSBC Bank plc, as amended from time to time (Terms of Business).

In this Annex, we have set out some information about your rights and responsibilities in relation to this Terms of Business, and your relationship with HSBC Bank plc generally, which is important for you to read and understand:

- ◆ The Terms of Business is a legally binding contract between us (acting as your agent and on your behalf) and HSBC Bank plc.
- ◆ Under that contract, HSBC Bank plc will be entitled to treat us (and not you) as its client for certain regulatory purposes. But because we are entering into the contract as your agent and acting on your behalf, you will still be a party to the contract as a matter of law.

- ◆ As a result, you will be bound by the terms of the contract, and you will also be entitled to enforce the contract if it is breached by HSBC Bank plc. In other words, you will have the right to make a legal claim against HSBC Bank plc directly, rather than having to go through us.
- ◆ If you want more information about what the Terms of Business say, please let us know and we will send you a copy of the Terms of Business in force as at that time.
- ◆ Applicable laws and regulatory requirements prevent us from conducting certain activities or taking on certain liabilities. As a result, we are not able to accept responsibility for the acts and omissions of HSBC Bank plc when it provides execution and dealing services under the Terms of Business. But if you have any concerns or complaints on this front at any time, please let us know straight away and we will explain how these can be dealt with.
- ◆ You should also be aware that, if you are ever dissatisfied with HSBC Bank plc's services, you always have the right to submit a complaint to it directly. Further details regarding its complaints procedures are available from us on request.
- ◆ If you're not satisfied with the way in which HSBC UK Bank plc deals with a complaint you've made, then you may be able to refer it to the Financial Ombudsman Service. Further information is available from us on request or from the Financial Ombudsman Service itself at **Exchange Tower, Harbour Exchange, London E14 9SR** (financial-ombudsman.org.uk)
- ◆ HSBC Bank plc is also covered by the Financial Services Compensation Scheme (FSCS). You may be eligible to compensation from the scheme if you have a valid claim against HSBC Bank plc in respect of investment business and it cannot meet its obligations, due to insolvency. Most types of investment business will be covered.
- ◆ Under the Terms of Business, HSBC Bank plc may ask us to obtain from you certain information, documents or materials (for example, where these are requested to enable HSBC Bank plc to comply with applicable laws or regulatory requirements, or its internal policies and procedures). If we ask you to give us something for this reason, you will need to provide it to us as quickly as possible, and make sure it is complete, correct and up to date.
- ◆ Please note that nothing in the Agreement or the Terms of Business is intended to or shall limit or exclude any rights or remedies you have under the general law or any regulatory regime. To be clear, this includes any rights you may have against HSBC Bank plc under the Consumer Rights Act 2015 or section 138D of the Financial Services and Markets Act 2000 (in each case, as in force from time to time).

To explain further how section 138D may be relevant in practice:

- ◆ We are under a regulatory duty to take all sufficient steps to obtain the best possible result for you when executing orders on your behalf. This is known as "best execution". This is in addition to any contractual obligations we may owe you.
- ◆ We will categorise you as a retail client for the purposes of the Financial Conduct Authority rules. This means we will have a regulatory duty to provide you with "retail quality" best execution – i.e. in general terms, when executing orders for you, we have to determine what the best possible result is in terms of price and cost.
- ◆ If this duty is breached, you may have a right to take action against us under section 138D of the Financial Services and Markets Act. In general terms, section 138D can give private persons a right to take action if they suffer loss because a relevant firm has breached certain rules made by the FCA.
- ◆ Over and above this, HSBC Bank plc will also have obligations under the Terms of Business. For example, it will be subject to a contractual obligation to provide you with "retail quality" best execution. Accordingly, depending on the circumstances, if there is a breach on this front, you may also have a right to take action against HSBC Bank plc for this breach, although this will be under the law of contract, rather than under section 138D as explained above.

If you have any questions about the information set out in this Annex, please do not hesitate to let us know and we will do our best to help.

If you are unhappy in any way with our products and services then please let us know. General Information

HSBC UK Bank plc is covered by the Financial Services Compensation Scheme (FSCS). You may be eligible to compensation from the scheme if you have a valid claim against us in respect of investment business and we cannot meet our obligations. Most types of investment business are covered. Your eligible deposits (including cash balances in your settlement account) are covered separately by the FSCS. The FSCS can pay compensation to depositors if a bank is unable to meet its financial obligations. Most depositors are covered by the scheme.

In respect of deposits, an eligible depositor is entitled to claim up to the current FSCS limit for deposits. For joint accounts each account holder is treated as having a claim in respect of their share so, for a joint account held by two eligible depositors, each depositor would have a separate claim up to the FSCS deposit limit and so the maximum amount that could be claimed in total would be twice the current FSCS deposit limit. The FSCS deposit limit relates to the combined amount in all the eligible depositor's accounts with the bank, including their share of any joint account, and not to each separate account.

first direct and HSBC are both trading names of HSBC UK Bank plc and customers who hold deposits under both trading names will only be eligible for one claim of up to the FSCS deposit limit in total in respect of all amounts held by HSBC UK Bank plc. For further information about the compensation provided by the FSCS (including the amounts covered and eligibility to claim) please refer to the FSCS Website **FSCS.org.uk** or call the FSCS on **0800 678 1100** or **020 7741 4100**. Please note only compensation related queries should be directed to the FSCS.
